ABOUT US

Vidraria do Covêlo

Vidraría do Covêlo is a glass company located in Vila Nova de Famalicão. We cut and install all types of glass and mirror. Both our facilities and team are fully prepared to provide you with a personalized service and lifetime warranty.

The key factors for any company to succeed are hard work, the quality of the service provided, the passion for any work to be done, the ability to adapt and the trust built with customers and suppliers.

Vision

To be a renowned company in the market, when it comes to providing excellent service that satisfies the needs of its clients, consistently standing out for its quality.

Mission

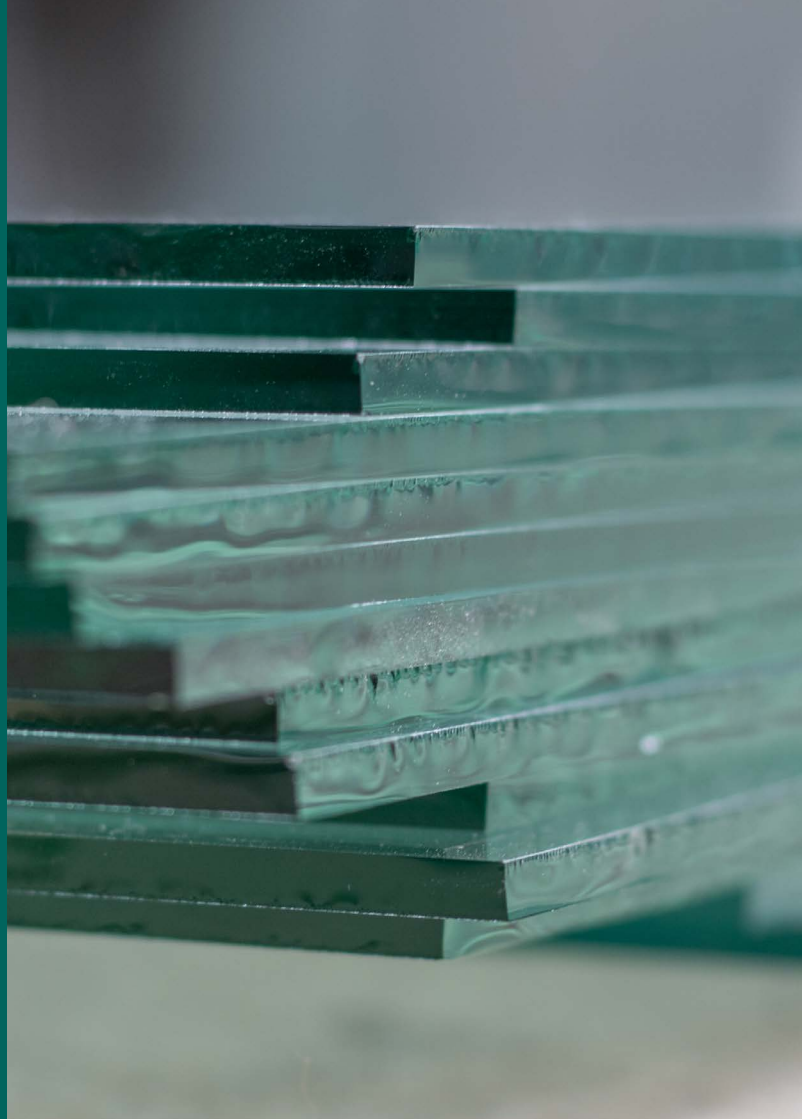

To reach every client, bringing to them the best service in the glass industry.

Values

Expertise; Reliability; Quality; Integrity; Proximity to the client ("50% personal, 50% financial").

PRODUCTS

Glass and mirrors.

Glass

Anti-Glare

High transparency glass. Does not reflect Image.

Chipped

Glass that is treated at its edges to wear them out.

Double

Two glasses separated by a profile that forms an air filled treatment or an argon gas chamber.

Extra Bright

Glass with a higher transparency than clear glass.

Frosted

Acid frosted glass. Attributes higher privacy to the space where it is applied.

Lacquered

Glass painted with the desired color.

Laminated

Two or more glasses joined by one or more polyvinyl butyral films, which make it more resistant to any shock. Various shades are available.

Neoceramic

Glass prepared to withstand very high temperatures.

Printed

Glass showing any design or pattern.

Solar Control

Glass capable of controlling light emission. Decreases unwanted solar energy.

Tempered

Heat-treated glass, with the main objective of making it more resistant, minimizing the risks in case of fall.

Mirrors

Brass Mirror, Grey Mirror, Silver Mirror

PROJECTS

Excellent Work
